

e-Insurance

You have been enjoying the benefits of Demat account and would have experienced the ease and convenience that Demat form of holding Securities have brought to dealings in Securities Market. Now it's time to hold Insurance Policies in electronic form and experience the same ease and convenience.

NSDL Database Management Limited (NDML) has been authorized by Insurance Regulatory and Development Authority (IRDA) to act as an Insurance Repository. You can now hold your insurance policies in electronic form with NSDL group, the way you hold your securities in Demat Account. We have named this initiative as "National Insurance-policy Repository" (NIR). NIR facilitates a proposer to hold insurance policies in electronic form in a single e-Insurance Account (eIA) and offers easy online access to these insurance policies. For this, you will have to open an eIA and the insurance policies will be credited by the Insurance Company into this eIA. You can seek credit of existing as well as new insurance policies in eIA.
